Inspections Required by Code
 905-372-1929

1. Sanitary and Storm building sewers
2. Water Service
3. Sanitary and storm building drains
4. Under slab building drain and branches
5. Rough in above ground drains, vents and water piping
6. Final inspection for occupancy

Inspections #1. through # 5. are prior to covering with dirt or drywall. #6 is for minimum fixture requirements for occupancy. The plumbing system must be complete and operational. Sewage System must be completely covered. Note: seed or sod is required

NOTE: Fee includes a maximum of 6 inspections. Extra inspections are made payable to the County. Each extra inspection: \$50.00/hr, 1 hr min.

Ontario Building Code Act, Section 36 (3) - Penalties.
 A person who is convicted of an offence is liable to a fine of not more than \$50,000 for a first offence and to fine of not more than \$100,000 for a subsequent offence.
