# Description of the Subject Land

## Location of the Subject Lands

Urban (Roll # starts with 1423-125)

Rural (Roll # starts with 1423-223)

**Municipal Number:**

0

**Street Name:**

Croft Street

**Lot Number(s):**

Part of Lot 3

**Concession:**

1

**Lot(s)/Block(s):**

**Registered Plan No:**

**Part Number(s):**

2 and 3

**Reference Plan No:**

39R-12512

**Length of Ownership:**

15 years

**Are there any encumbrances affecting the subject lands? (i.e. Existing Mortgages, Easements, Right-of-Ways, Restrictive Covenants, Site Plan Agreements)**

Yes

No

**If yes, please describe:**

Part 3, Plan 39R-12512 (Hydro Easement) in favour of the Hydro-Electric Commission of the Town of Port Hope.

# Description of Subject Lands

Provide all measurements in metric units.

**Frontage:**

217.7 metres

**Area:**

25,028 square metres

**Average Width:**

Varies

**Average Depth:**

Varies

**Existing Use(s):**

Vacant; Storm water management facility

**Abutting land uses (surrounding properties that share a common boundary with the subject land)**

North: Medium-Density Residential - Urban; South: Institutional - Major; East: Park + Low-Density Residential - Urban; West: Low-Density Residential - Urban

**Official Plan Designation**

Medium-Density Residential - Urban

**Zoning By-law Designation**

RES1-1(H1) - Low Density Residential One - Site-Specific Exception One Holding One Zone

## Existing Building(s) of Structure(s)

If there are any existing buildings or structures, please complete the details below. If there are no existing buildings or structures, please continue to the next section 'Proposed Uses, Building(s) or Structure(s)'.

**1. Type of building or structure**

None.

**Date constructed**

N/A

**Front lot line setback**

N/A

**Rear lot line setback**

N/A

**Side lot line setback**

N/A

**Other side lot line setback**

N/A

**Height of building**

N/A

**Dimensions**

N/A

**Floor area**

N/A

**2. Type of building or structure**

N/A

# Proposed Uses, Building(s) or Structure(s)

Complete the section below if there are any proposed changes to the uses, building(s) or structure(s) on the subject land, including new builds.

## 1. Type of building or structure

Apartment Dwelling

## Front lot line setback

17.2 metres

## Rear lot line setback

N/A

## Side lot line setback

19.1 metres

## Other side lot line setback

39.0 metres

## Height of building

20.1 metres

## Dimensions

120.1 m x 30.3 m

## Floor area

3,623.2 sq.m

## 2. Type of building or structure

None.

## Front lot line setback

N/A

## Rear lot line setback

N/A

## Side lot line setback

N/A

## Other side lot line setback

N/A

## Height of building

N/A

## Dimensions

N/A

## Floor area

N/A

## 3. Type of building or structure

None.

## Front lot line setback

N/A

## Rear lot line setback

N/A

## Side lot line setback

N/A

## Other side lot line setback

N/A

## Height of building

N/A

## Dimensions

N/A

## Floor area

N/A

# Access and Services

What form(s) of access are available to the subject land? Select all that apply.

- Unopened road allowance
- Open municipal road/street
- County road
- Provincial highway
- Other public road/street
- Existing right-of-way
- No access

Specify location:

Croft Street - between Wellington Street and Rose Glen Road North

# Water and Wastewater/Sewage Disposal Services

Indicate which water supply service is currently available on the subject land. Select all that apply.

- Municipal Water System
- Well-Privately owner and operator, individual or communal
- Other
- No water supply service currently available

If you selected 'other', provide details. If you selected 'no water supply service currently available', indicate the proposed service type and approximate date of installation.

**Indicate which wastewater/sewage disposal service is currently available on the subject land. Select all that apply.**

- Municipal sanitary sewage system
- Septic system: privately owned and operated
- Privy
- Other
- No wastewater/sewage disposal service currently available

**If you selected 'other', provide details. If you selected 'no wastewater/sewage disposal service currently available', indicate the proposed service type and approximate date of installation.**

**Indicate which storm drainage service is currently available on the subject land. Select all that apply.**

- Sewers
- Ditches
- Swales
- Other
- No storm drainage service currently available

**If you selected 'other', provide details. If you selected 'no storm drainage service currently available', indicate the proposed service type and approximate date of installation.**

Overland to existing on-site wet pond.

# Status of other Planning Applications

**Is the subject land currently the subject of a Plan of Subdivision application?**

Yes

No

**If yes, please indicate the file number(s).**

**Is the subject land currently the subject of a Consent application?**

Yes

No

**If yes, please indicate the file number(s).**

**Is the subject land currently the subject of a Minor Variance application?**

Yes

No

**If yes, please indicate the file number(s).**

**Is the subject land currently the subject of a Site Plan application?**

Yes

No

**If yes, please indicate the file number(s).**

**Apart from this current application, have you applied for an Official Plan, Zoning By-law amendment, Plan of Subdivision, Consent, Minor Variance or Site Plan for any land that is located within 120 metres of the subject land?**

Yes

No

**If yes, please indicate the file number(s).**

# Purpose of Official Plan Application

Complete this section if you are applying for an Official Plan Amendment.

## Which type of Official Plan amendment is being proposed?

- To add a new policy to the Official Plan or change, delete or replace existing Official Plan policy
- To change or replace the existing Official Plan land use designation of the subject lands

## What is the requested land use designation for the subject land?

High-Density Residential - Urban

## What land uses are permitted by the current designation?

Townhouse, rowhouse, fourplex, low-rise apartments, and other forms of low-rise multiple dwellings

## Is this a proposal to alter the boundary of a settlement area or to implement a new area of settlement?

- Yes (application must be accompanied by supporting material to fulfill the requirements of a comprehensive review, as defined)
- No

## Is this a proposal to remove land from an area of employment?

- Yes (application must be accompanied by supporting material to fulfill the requirements of a comprehensive review, as defined).
- No

## Describe the purpose of the proposed Official Plan Amendment?

To amend Schedule C-1 - Land Use - Urban Area Detail to reclassify the subject property from Medium-Density Residential - Urban to High-Density Residential - Urban to permit an Apartment Dwelling on-site.

## Describe the policy to be added, changed, replaced, or deleted.

None.

# Purpose of Zoning By-law Amendment Application

Complete this section if you are applying for a Zoning By-law Amendment.

## Describe the nature and extent of the proposed rezoning.

To amend Schedule 'A' - Sheet 9 to Rezone the subject property from RES1-1(H1) - Low Density Residential One - Site-Specific Exception One Holding One Zone to a RES4-XX - High Density Residential Site-Specific Exception XX Zone to permit an Apartment Dwelling on-site with the following site-specific provisions for:

- Width of Planting Strip to 2.0 metres;
- Maximum Driveway Width to 8 metres;
- Maximum Number of Driveways to three (3);
- Permitted Loading Space in Front Yard.

## Why is this rezoning being requested?

The proposed Apartment Dwelling is not permitted on the subject property by its current RES1-1(H1) - Low Density Residential One - Site-Specific Exception One Holding One Zone, and that on-site natural heritage features, together with the planned lot configuration, constrain the development envelope.

# Previous Land Use of the Subject Land

If you answer 'Yes' to any of the questions below, you are required to include a previous use inventory with the application submission, showing all former uses of the subject land and/or adjacent land.

## What was the previous use of the subject land?

**Has there been an industrial or commercial use on the subject land or land adjacent to the subject land?**

Yes

No

Unknown

**Has the grading of the subject land been changed by adding earth or other material?**

Yes

No

Unknown

**Has a gas station been located on the subject land or land adjacent to the subject land?**

Yes

No

Unknown

**Has there been petroleum or other fuel stored on the subject land or land adjacent to the subject land?**

Yes

No

Unknown

**Is there reason to believe the subject land may have been contaminated by former uses on the site or adjacent sites?**

Yes

No

Unknown

**What information did you use to determine the answers to the above questions?**

Knowledge of owner.

# Provincial Policy

Please identify the features or development circumstances of interest to the Municipality by answering the questions below. Each question will note the 'potential information needs'.

**Class 1 Industry: small scale, self-contained plant, no outside storage, low probability of fugitive emissions and daytime operations only.**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

## Potential Information Needs

Assess development for residential and other sensitive uses within 70 metres.

**If a feature, specify the distance in metres.**

Approx. 300 metres.

**Class 2 Industry: medium scale processing and manufacturing with outdoor storage, periodic output of emissions, shift operations and daytime truck traffic.**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

## Potential Information Needs

Assess development for residential and other sensitive uses within 300 metres.

**If a feature, specify the distance in metres.**

**Class 3 Industry within 1000 metres: processing and manufacturing with frequent and intense off-site impacts and a high probability of fugitive emissions.**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

## Potential Information Needs

Assess development for residential and other sensitive uses within 1000 metres.

**If a feature, specify the distance in metres.**

**Landfill site**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Address possible leachate, odour, vermin, and other impacts.

**If a feature, specify the distance in metres.**

**Sewage treatment plant**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Address the need for a feasibility study for residential and other sensitive uses.

**If a feature, specify the distance in metres.**

**Waste stabilization pond**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Assess the need for a feasibility study for residential and other sensitive uses.

**If a feature, specify the distance in metres.**

**Active railway lines**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Evaluate impacts within 100 metres.

**If a feature, specify the distance in metres.**

**Controlled access highways or freeways, including designated future ones.**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Evaluate impacts within 100 metres.

**If a feature, specify the distance in metres.**

**Operating mine site**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Will development hinder continuation or expansion of operations?

**If a feature, specify the distance in metres.**

**Non-operating mine site within 1000 metres**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Have potential impacts been addressed? Has mine been rehabilitated so there will be no adverse effects?

**If a feature, specify the distance in metres.**

**Electric transformer stations**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Determine possible impacts within 200 metres.

**If a feature, specify the distance in metres.**

**High voltage electric transmission lines**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Consult the appropriate electrical power service.

**If a feature, specify the distance in metres.**

**Transportation and infrastructure corridors**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Will the corridor be protected?

**If a feature, specify the distance in metres.**

**Prime agricultural land**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Agricultural operations**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Mineral Aggregate resource areas**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Mineral Aggregate operations**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Existing pits and quarries**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

Potential Information Needs

Demonstrate the need for use other than agricultural and indicate how impacts are to be mitigated.

If a feature, specify the distance in metres.

Potential Information Needs

Development to comply with the Minimum Distance Separation Formulae.

If a feature, specify the distance in metres.

Potential Information Needs

Will development hinder access to the resource or the establishment of new resource operations?

If a feature, specify the distance in metres.

Potential Information Needs

Will development hinder continuation of extraction?

If a feature, specify the distance in metres.

Potential Information Needs

Will development hinder continued operation or expansion?

If a feature, specify the distance in metres.

**Significant wetlands**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

Potential Information Needs

Demonstrate no negative impacts.

If a feature, specify the distance in metres.

**Significant portions of habitat of endangered and threatened species**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

Potential Information Needs

Demonstrates no negative impacts.

If a feature, specify the distance in metres.

**Significant: fish habitat, woodlands, valley lands, areas of natural and scientific interest, wildlife habitat.**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

Potential Information Needs

Demonstrate no negative impacts.

If a feature, specify the distance in metres.

**Sensitive groundwater recharge area, headwaters, and aquifers**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

Potential Information Needs

Demonstrate the groundwater recharge areas, headwaters and aquifers will be protected.

If a feature, specify the distance in metres.

**Significant built heritage resources and cultural heritage landscapes**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

Potential Information Needs

Development should conserve significant built heritage resources and cultural heritage landscapes.

If a feature, specify the distance in metres.

**Significant archaeological resources**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Assess development proposed in areas of medium and high potential for significant archaeological resources. These resources are to be studied and preserved, or where appropriate, removed, catalogued and analyzed prior to development.

**If a feature, specify the distance in metres.**

**Erosion hazards**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Determine feasibility within the 1:100 erosion limits of ravines, river valleys and streams.

**If a feature, specify the distance in metres.**

**Floodplains**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Where two-zone floodplain management is in effect, development is not permitted in the floodway. Where a Special Policy Area (SPA) is in effect, development must meet the official plan policies for SPA.

**If a feature, specify the distance in metres.**

**Contaminated sites**

- Yes - feature is on site or within 500 metres
- Yes - development circumstances apply
- No

**Potential Information Needs**

Assess an inventory of previous uses in areas of possible soil contamination.

**If a feature, specify the distance in metres.**

**Describe how the application is consistent with the Provincial Policy Statement and any applicable Provincial Plans. Does the proposal conform to or does it conflict with the applicable plans? Explain below or attach separate pages.**

See Planning Justification Report, enclosed.

# Signature Pages

Applicant is not the owner: complete the 'Authorization of Owner for Applicant to Submit Application' forms and the 'Affidavit'.

Applicant is the owner: complete the 'Owner Authorization to Submit Application' forms and the 'Affidavit'.

## Authorization of Owner for Applicant to Submit Application

If the owner is not the applicant, please print and have the owner sign the following forms:

- [Application Authorization](#)
- [Applicant Disclosure of Personal Information](#)
- [Cost Reimbursement](#)

The original forms can be submitted either in person at 5 Mill St. S., Port Hope, ON L1A 2S6 or mailed to 56 Queen St., Port Hope, ON L1A 3Z9.

## Owner Authorization to Submit Application

If the applicant is the owner, please print and sign the following forms:

- [Disclosure of Personal Information](#)
- [Cost Reimbursement](#)

The original forms can be submitted in person at 5 Mill St. S., Port Hope, ON L1A 2S6 or mailed to 56 Queen St., Port Hope, ON L1A 3Z9.

## Affidavit

The [Affidavit](#) must be signed in front of a Commissioner of Oaths or lawyer. For your convenience, there are staff members at the Municipality of Port Hope that are able to commission documents. Please contact us at 905-885-2431 or via email at [planning@porthope.ca](mailto:planning@porthope.ca) to book an appointment.

The original form can be submitted in person at 5 Mill St. S., Port Hope, ON L1A 2S6 or mailed to 56 Queen St., Port Hope, ON L1A 3Z9.

# Application Submission Checklist

The application and supporting documentation can be submitted in one of the following ways:

- In person at 5 Mill Street South, Port Hope, ON L1A 2S6
- Mail to 56 Queen Street, Port Hope, ON L1A 3Z9
- Email to [planning@porthope.ca](mailto:planning@porthope.ca)

**Please confirm you will be submitting the following documents in person, by mail or via email to [planning@porthope.ca](mailto:planning@porthope.ca):**

- Application Fee - Cheques can be made payable to the Municipality of Port Hope (please note that there will be other fees imposed by other agencies for their review)
- Application Form
- Signature pages and affidavit
- Recent Survey - One (1) copy prepared by an Ontario Land Surveyor
- Drawings and/or plans
- Reduced copy of drawings and/or plans - No larger than 11-inches x 17-inches
- Digital copy of drawings and/or plans - A digital PDF version of all required drawings and/or plans
- Studies identified during the pre-consultation meeting
- Planning Justification Report
- Other supporting materials as deemed necessary by the Municipal Planner

**If you need to provide any comments regarding the checklist above, please provide them in the space below.**

None.
