Camp Attendance Details

Sign in and Out of Camp

It is required that campers be signed into and out of camp each day. A valid piece of **government issued ID** (photocopies and photos will not be accepted) will be requested upon sign out every day, even if it's the same person signing out each day. The camper may only be signed out by individuals on the authorized pickup list provided to the Municipality. Please ensure that the names of the authorized individuals provided to us match the valid/in date photo IDs presented at pick up. Please ensure you provide up to date information at the time of registration (don't forget to include yourself) or notify us of any changes.

Campers will not be allowed to be signed in before the start of camp. This time is used for preparing for the day and staff are asked to wait until the designated start time. Sign out for camp is no later than 4:30 p.m. unless they are registered for extended care.

For the safety of your child, we highly encourage that an adult sign the child into camp and pick them up each day. However, if they are a minimum of 10 years old, they may sign themselves in and out with consent. If your child is authorized to sign themselves into camp please ensure a guardian is with them on Monday morning to ensure all documents are correct and that they have all the required information needed.

However, if the child's lunch contains a nut product, a guardian will be called and asked to make arrangements to replace the lunch.
- Children are not able to share food with other campers unless they are from the same house.

Camper Behaviour

Our goal is to make camp enjoyable and safe for everyone! Our staff emphasize kindness, and are trained in behavioural management strategies, and incorporate resources from the [High Five Principles of Healthy Child Development](#). Inappropriate/coarse language, harassment, bullying, eloping and aggressive behaviours are not permitted at camp. These behaviours will be documented and reported. Serious or persistent challenging behaviours may require immediate attention from camp staff and parent/guardians, and may result in dismissal from camp. Parents/guardians are expected to make arrangements for their child to be picked up from camp within 30 minutes of receiving a phone call about behaviour. Staff will review the following behaviour expectations with campers on the first day of camp, and throughout the camp program.

- Respect participants and staff, and care for the building, equipment and materials provided
- Follow staff direction and instructions and be open to trying new things and participating
- Use appropriate language and be kind to others (no bullying behaviour)
- Always remain with your assigned group and staff
- Hands Off – no touching other participants or their belongings
- Have fun!

If your child has behavioural concerns, please email us at daycamp@porthope.ca or call [905-885-7908](tel:905-885-7908)
