Categories

Nominees may be eligible to receive awards in more than one category at the annual awards ceremony, should each nomination fulfil the criteria of the award category.

The Civic Awards Advisory Committee reserves the right to change a nomination to an alternative category where they feel appropriate.

Nominees may not receive awards in multiple categories for the same body of work. Should a recipient have received an award (in any category, excluding Outstanding Youth or Citizen), they will not be eligible to receive an award in a different category for the service, work or contribution listed in the approved application of their received award.

Due to the nature of the nomination requirements for an Outstanding Citizen or Youth, receipt of one of these two awards, does not break the years of service tally for the individual in other categories.

Timeline for Submitting Nominations

The nomination period for Civic Awards opens as soon as practicable after November 1st; the Awards Ceremony is to be hosted no later than the end of April. All other program administration timelines such as close of nominations, decision meeting, date of in-camera consideration, notifications etc. will be set on an annual basis and determined by the Committee.

Civic Awards Nominations may be submitted to the Committee any time prior to the deadline for submissions as determined by the Committee for the annual program. Nomination submissions received past the deadline will be disqualified.

Council reserves the right to solicit and approve additional nominations post-deadline, if warranted for special circumstances.

Selection Process & Award Approval

Following the closure of nominations, the Civic Awards Committee will review all nominations submitted by the public, in a closed session meeting. Two additional Council members will be invited to attend the nomination review and decision meeting of the Committee as non-voting members.

Award recipients will be recommended by Committee resolutions which will then be presented in the form of an in-camera report prepared by the Staff Lead, complete with supporting documentation for consideration of Council. The Director of Parks, Recreation & Culture or designate will attend the in-camera meeting on behalf of the Committee to respond to any questions regarding the process or nominations.

Final consideration of dispensation of awards is at Council's discretion.

Once an award has been approved by Council and given to a nominee at the awards ceremony, it may not be rescinded.
